

The Villages of Oak Creek Homeowners' Association

Winter 2015 Block Watch Survey

One of the best ways for us to keep each other safe is to ensure we know each other. Please share your contact information below (this will not be shared outside of the Villages of Oak Creek). It will only be used for communications approved by the VOCHOA HOA.

Name(s): _____

Home Address: _____

Cell Phone Number(s):

Email(s): _____

If you are so inclined - please tell us something about you or any other ideas you have to improve our neighborhood! If that's not your cup of tea that's okay too – we would still appreciate your updated contact information above. Are you willing to help with any activities in the neighborhood (block watch, block party, communications, clean up days, any other special talents - website, juggling, etc.), do you have any connections we can use (do you work somewhere fun that has a snow cone machine we can use, are you an awesome chef, own a bounce house, etc.):

Please complete by March 1, 2015, and email to villagesofoakcreek@gmail.com or return to 1689 Royal Oak Drive (feel free to just stick it in the mailbox or screen door). Thanks for your time!
